PROFESSOR R. SAUNDERS  
DEPARTMENT OF PHYSICS  
THE UNIVERSITY OF THE WEST INDIES

I AM GREATLY HONOURED AND PLEASED TO CONVEY THIS MESSAGE, ON BEHALF OF THE THIRD WORLD ACADEMY OF SCIENCES (TWAS), ON THE OCCASION OF THE INAUGURATION OF THE CARIBBEAN ACADEMY OF SCIENCES.

WE ARE VERY DELIGHTED THAT AN ACADEMY OF SCIENCE FOR THE CARIBBEAN BASIN HAS BEEN BORN WHOSE NOBLE OBJECTIVE IS TO UNITE DISTINGUISHED MEN AND WOMEN OF SCIENCE IN THE REGION AND TO FOSTER THEIR TALENT FOR THE BENEFIT OF THE CARIBBEAN AND LATIN AMERICAN REGION.

THE THIRD WORLD ACADEMY OF SCIENCES IS VERY HAPPY TO HEAR OF THIS NEW INITIATIVE AND WILL LOOK FORWARD TO COLLABORATING WITH THE NEW ACADEMY IN ALL ITS EFFORTS TO PROMOTE SCIENCE AND TECHNOLOGY FOR THE BENEFIT OF THE ECONOMIC WELFARE OF THE CARIBBEAN BASIN AND THE REST OF THE THIRD WORLD. I CANNOT TELL YOU HOW MUCH I FEEL PERSONALLY HAPPY AT THE FORMATION OF THE ACADEMY. I AM SORRY I CANNOT BE WITH YOU BECAUSE OF A MEETING OF THE CENTRE'S SCIENTIFIC COUNCIL WHICH IS BEING HELD AT THE SAME TIME.

I WISH THE INAUGURAL MEETING OF THE CARIBBEAN ACADEMY ALL THE SUCCESS. WITH MY VERY BEST REGARDS

ABDUS SALAM  
PRESIDENT, TWAS
